

2022 SOUTHWEST REGIONAL CONFERENCE

APRIL 29th-30th, Austin TX

This spring, Texas AICHE has the honor of hosting the **2022 AICHE Southwest Regional Conference!** This will be the largest event our chapter has ever hosted, with **hundreds of chemical engineering students** from the Southwest US and Central America in attendance. This event provides your company with an **unparalleled opportunity** to recruit top chemical engineering talent.

ABOUT THE CONFERENCE

The 2022 AIChE Southwest Regional Conference will bring together some of the world's brightest chemical engineering students together **in the heart of Austin, Texas**. Events will include competitions such as ChemE Jeopardy, ChemE Car, Technical Paper, and Poster competitions. Moreover, the conference will also include a series of **corporate workshops and talks**, a **career fair**, a **corporate panel** of industry leaders, and **networking sessions** where you can interact more informally with students. We plan to host the conference in a hybrid format, with in-person events supplemented with virtual elements dependent on Covid-19 restrictions.

This conference will provide your company **unprecedented** opportunities to interact with hundreds of extremely high-achieving students in one place. For your company we offer the following partnership opportunities:
